THE JOURNAL WANTS YOU!

The Citadel Journal is written by fanatical GW gamers for fanatical GW gamers. It's you that makes the Journal the unparalleled hobby magazine that it is – a forum for every collector, painter, modeller and army commander. So, get writing!

What we want:

- A scenario or campaign for one of our games systems.
- The tried and tested house-rules or tactics that you use in your games.
- Ideas for collecting, modelling, converting and painting with Citadel miniatures.
- The review of a tournament/convention/club that you have attended.
- Articles to be accompanied by photographs of your models, yourself, conversions and players where possible (We are far more inclined to feature an article with the proper visual representation than one without).
- A few details about yourself – how old you are, where you're from, how long you've been a gamer and which games you play.
- If possible, supply articles on disc. We can read most formats so disc submissions will make our job a lot easier.
- Why not e-mail us your articles? You can send your ideas direct to the Journal Bunker on: journal@games-workshop.co.uk

Get your name in lights and be the envy of all your mates!

Send your ideas, or for a full set of Writer's guides send a self-addressed envelope to:
